

# LINDEN ANDREI MACARANGCAT

Internship, Security Analyst

+63 9394277310    lindenmacarangcat@gmail.com    <https://linden-portfolio.vercel.app/>

## ABOUT ME

I am a Computer Engineering graduating student with a strong interest in cybersecurity, actively seeking for an OJT opportunities to gain hands-on experience and grow within the field. My goal is to join a security-focused team where I can apply my foundational knowledge, learn from experienced professionals, and contribute to protecting digital systems from evolving threats. With an eagerness to develop my skills and a commitment to continuous learning with proven ability to quickly analyze and resolve technical issues while enhancing customer satisfaction.

## EDUCATION

2024 - 2025	<b>BS in Computer Engineering</b>
University of Cebu	Entry-level foundation in cybersecurity, networking, and Hardware. Gained hands-on experience through academic projects while building strong problem-solving, communication, and teamwork skills.

## EXPERIENCE

2021 - 2022	<b>Technical Support Representative</b>
Qualfon Inc.	<ul style="list-style-type: none"><li>Assisted with updating technical support best practices for use by team.</li><li>Assisted customers in identifying issues and explained solutions to restore service and functionality.</li><li>Offered troubleshooting of connectivity issues across networks such as Wi-Fi and cellular.</li><li>Documented support interactions for future reference.</li></ul>

## SKILLS

- Security Monitoring & Analysis
- Familiarity with IDS/IPS, endpoint protection, and firewalls
- Understanding of TCP/IP and OSI models
- Splunk Cloud
- VirusTotal
- Linux OS
- Knowledge of NIST Cybersecurity Framework
- Commitment to continuous learning
- Analytical Thinking
- Process Improvements
- Risk Management
- Basic use of SIEM tools like Splunk and Suricata for threat detection
- Network traffic analysis using Wireshark
- Exposure to vulnerability scanning and basic remediation steps
- Suricata
- Python scripting
- Windows OS
- MITRE ATT&CK basics
- Eagerness to develop skills
- Incident Response
- Business Continuity
